(E) In the event that (1) all other “involved agencies” indicate that they are interested in undertaking a coordinated review of the Project, (2) one of the other “involved agencies” indicates that it desires to be designated as “lead agency” with respect to the Project and (3) the other “involved agencies” are amenable to designating such involved agency as “lead agency”, then take all necessary steps to indicate the concurrence of the Agency that such “involved agency” be designated as “lead agency” with respect to the Project (as such quoted terms are defined under SEQRA).
